Last Month of 25/26 Year!

Wow, where has the year gone? As you've seen on the June calendar sent home last week, we have a busy month ahead as we finish up the year. We have attached an RSVP form for the 3 upcoming events which include lunch, please complete it and send back for next Monday.

District Track & Field

Most of the intermediate class attended the District Track Meet yesterday. They had a fabulous time and can be proud of how well they represented Big Lake. We brought home one ribbon, Isadore came in 10th in triple jump.

Cariboo Fire Centre

We are off to the Cariboo Fire Centre tomorrow and looking forward to learning about caring for our environment, especially wild fire prevention techniques. As we will spend most of our time outside, please make sure students are prepared for all weather.

BLSA – Launch Day

The Big Lake Space Academy is excited to launch our balloon with the help of Branden Moskwa on Monday, June 8th (weather permitting.) We will be able to track its movements and hopefully be able to recover it once it lands.

Jump Rope for Heart

We will have our wrap up on June 9th. If you would like to donate to this cause visit www.jumpropeforheart.ca.

Bowling/Dairy Fields

Then we will go to the Cariboo Bowling Lanes to bowl a few frames. Permission slip were sent home last week, if you have not returned them, please do so now.

Hot Lunch

Our last hot lunch of the year is for the primaries only on June 11th. We would like to thank Shannon for keeping us organized for these lunches which the students absolutely LOVE! We are grateful to the parents who have volunteered to shop for and prepare the lunches for us. Groceries have been provided through our District Feeding Futures funding and our PAC.

PAC News

As we wrap up this year, we thank the executive and all parents that attended our meetings and volunteered their time. PAC is an excellent way to keep yourself informed on what is happening throughout the year and make a difference in your school and community.

We appreciate the amazing support we receive from our PAC. They have helped by

sponsoring school activities, food events, field trips, extra supplies, grade 6 gifts, etc. Whenever we need help, they are always willing to lend a hand. Thanks for the great year!

Welcome to Kindergarten

We welcomed next year's Kindergarten students to our school last week. They joined us Thursday afternoon for some fun, an introduction to the school and an opportunity to meet some new friends.

Student Recognition Day

This year, we are holding our student recognition day on Wednesday, June 17th starting at 10:30 am. PAC will be hosting lunch. Everyone is welcome to join us as we celebrate our Amazing Students!

Gavin Lake Fun Day

Final Farewell!

Thursday, June 25th will be the final day of school this year. We have had a fabulous year of learning and adventure, we wish everyone a wonderful summer break and look forward to being together again in September when school resumes.

We also wish Madame Roberts a happy retirement. You will be missed in the classroom though we take comfort in the fact that we will still see you around Big Lake.
